

Plan, Do, Study, Act (PDSA) Template

Learning Question:				
Change Idea:				
How will you know if the change is an improvement?				
Plan	Your Action Steps in Testing the Change Idea	Timeframe	Evidence to be Collected	Predictions (based on the Evidence you're collecting)

Do, Study & Act: Reflect on the Change Idea

What happened? (Briefly describe what happened during the test, surprises, difficulty getting data, obstacles, successes, etc.)	What did you learn from the data collected?	What did you learn from the experience of testing a change idea?	Reflect on your predictions	Discuss learning, any possible adaptations, and ideas for next steps
